

**AUDITOR**  
**Orange County Comptroller's Office**  
**Orlando, Florida**

The Orange County Comptroller's Office, County Audit Division, is seeking an experienced professional to perform independent audits of government operations. Come work in a collaborative, team environment to make a positive impact and improve government operations.

The work involves conducting compliance and operational audits to identify areas of risk and make recommendations to help improve operational efficiency and effectiveness; as well as, ensuring compliance with applicable laws and procedures.

***Minimum Qualifications***

- Bachelor's degree with major coursework in Accounting
- Familiarity with word processing and spreadsheet software
- Ability to effectively plan, organize, prioritize and complete work assignments/projects
- Ability to work independently
- Ability to communicate effectively, both orally and in writing, with peers, managers, and the public, on both individual and group levels.
- Ability to analyze problems with detail and accuracy, keep complex records, assemble and organize data, and prepare reports from such data.
- Knowledge of accepted principles and practices of auditing, following written audit programs, and preparing adequate working papers to document audit work performed and conclusions reached.

***Preferences***

- One year experience in accounting or auditing
- Certified Public Accountant (CPA) or Certified Internal Auditor (CIA)
- Knowledge of Generally Accepted Government Auditing Standards
- Familiarity with ACL Data Analytics Software

We offer a generous benefits package, a starting salary range from \$49,000 to \$71,000, commensurate with qualifications, flexible work hours, and minimal travel (within Orange County).

Apply online at: [www.orangecountyfl.net](http://www.orangecountyfl.net)

Dependent on successful completion of background investigation.
