

**Michael Lyons and Robert Noblit, Protiviti Inc.**

**Michael Lyons** is a Director in the Tampa office of Protiviti, providing clients with Security and Privacy Consulting. Michael has more than 15 years' experience within the credit card processing industry and over 10 years specific to security. Michael spent 8 years at RBS WorldPay (A subsidiary of The Royal Bank of Scotland), finishing as Assistant Vice President, Merchant PCI Compliance. After that, Michael joined Arsenal Security Group as a Managing Principal, which was sold to Protiviti in 2012. As a Director in the Tampa office, he focuses on Security and Privacy consulting for large organizations across the United States. Michael has lead security projects ranging from GAP Assessments to multi-million dollar enterprise-wide engagements. Michael has spoken nationally at a number of security events including the Merchant Acquirers Committee and MasterCard Global Risk Security Summit.

**Robert Noblit** is a Senior Manager in the Tampa office of Protiviti with a focus on Security and Privacy Consulting. Robert is an information security professional with deep knowledge of security standards (PCI DSS, HIPAA, NIST) and over 10 years of consulting experience. Robert earned his MBA and an undergraduate degree in Information Assurance, as well as the CISSP certification. Robert has honorably served this great country as a Marine and community volunteer.
