

**BIO FOR MIKE PAGANI,
SENIOR DIRECTOR OF PRODUCT MARKETING
AND CHIEF EVANGELIST FOR SMARSH**

Mike Pagani is Senior Director of Product Marketing and Chief Evangelist at Smarsh. With more than 25 years' experience working with new and emerging technologies, he is a seasoned IT professional and recognized subject matter expert in the areas of mobility, identity and access management, network security, virtualization and information archiving. In his current role, Mike is a frequent industry event speaker, and contributes regularly to trade publications and online media outlets. Prior to joining Smarsh in November 2014, he held senior technology evangelist positions with Dell Software, Quest Software and NComputing.
